Great one owner home in a fabulous quiet neighborhood! Built in 1954, this 1500 Sq Ft ranch is located on a one acre lot. Lots of potential for this solidly built brick home. The charming exterior gives a country feel with lots of yard space. The attached double garage leads into a mud room with a large den. The kitchen has been updated since the house was built, and the living room showcases a large picture window with a excellent view. The basement is partially finished. Three bedrooms, one bath.
