This is my wife's AR15 – 5.56 Black Rain Ordinance Diamondback Battleworn Grey. She has maybe seriously only shot about 20 rounds out of it. We bought it brand new at Dunham's for \$1100 on sale back around December. I am FIRM at \$900 or I will just keep it. The gun is MINT condition. I have the original sales receipt if anyone wants to view it. The original black rifle carry bag and a 30 round Magpul magazine come with the gun purchase.

The Holosun optic, Magpul Flip up sights, & the fore-grip seen in the picture do not go with this gun and are not for sale.

Let me know if you have any questions. I live in the Newaygo County area and can possibly deliver or meet somewhere if interested. Thanks for Looking.
